STEAKS & CHOPS

McGuire's Irish Pub is one of a select few Restaurants in America to serve **U.S.D.A. Certified Prime Steaks**. Less than 5% of all Beef is good enough to be graded "PRIME". Supermarkets don't sell it. World Famous Restaurants don't serve it! McGuire's Steaks are never frozen, and hand cut daily and grilled over hickory wood fires to your specifications.

There is No Better Steak in America . . . Period!
